

GSNA 2024 Officer Candidates

System Level Candidate: Donisha Harrison

Assistant Director, Marietta City Schools

Candidate Bio and Interest Statement

GSNA Annual Conference presenter 2023

Leadership Academy graduate Class of 2020

Donisha began her involvement in GSNA with the Clayton County School Nutrition Association. She received her School Nutrition Specialist Credential in 2018. Previously, she's held the officer positions of President and Legislative Chair in Clayton County and Marietta City Schools School Nutrition Associations, respectively. In addition to these positions, she has also been an active board member of her sorority and two different homeowner's associations, with experience in budgeting, planning meetings, and facilitating trainings.

Having held multiple positions at both the school and system level has provided her with a unique view of how GSNA can support school and system level members. Her experience listed here, coupled with her passion for training at all levels, will be beneficial if elected to the position of System Level Chair.

GOALS

- Create a networking group similar to the School Nutrition Association's Young Professionals that will connect those who are new to School Nutrition to the Association and Industry Professionals.
- Provide training to System Level members that translate the regulatory pieces of procurement and finance to system level decisions.
- Provide in-depth training on eligibility to System Level members
