

Georgia Board of Education Meeting Refreshments Contribution Form

GSNA has been providing refreshments for the Georgia Board of Education meetings as a good faith gesture for the board of education for over 20 years.

In the past different chapters would prepare and deliver the refreshments to the meetings in Atlanta. Due to scheduling and travel issues it became difficult for chapters to participate each month.

In order to continue to have a presence at these meetings, GSNA secured a caterer and arranged to have the refreshments delivered. To continue this service we will need donations.

A contribution is suggested as a donation for the fund to provide refreshments for the Georgia Board of Education meetings.

District Contribution

Chapter Contribution

My District/Chapter Contribution is: \$ _____

District/ Chapter Name: _____
