Executive Leadership Sponsorship Opportunities

Join Georgia School Nutrition Directors as they take their Leadership Skills to the Next Level with the GSN Foundation's Executive Leadership Workshop!

GSNA is excited to announce our Executive Leadership Workshop designed especially for School Nutrition Directors.

Don't miss this opportunity to have intimate one on one conversations with school nutrition directors from all over Georgia as well as hear from a renowned leadership speaker that will help you transform the way you approach challenges.

One company representative will join our attendees as they prepare to unlock their creative potential and master influential strategies!

Our goal with school nutrition sponsorship is to ensure our Industry Partners really see a return on their investment and feel it with their attendance at GSNA events.
