

# 2023 LEADERSHIP TRAINING SPONSORSHIP OPPORTUNITIES

## Georgia School Nutrition Association

**June 15-16, 2023**

**AR Johnson Magnet School**

1324 Laney Walker Blvd. #2726 Augusta, GA 30901

GSNA is already planning for school year 2023-2024 and we want you to get a head start too!

If you joined us on Jekyll Island for our annual conference in April, you know that our members are happy to have the chance to meet and network with our industry partners.

We have another chance for you to meet decision makers in Georgia. Sponsorship of our 2023 Leadership Training will put you in contact with school nutrition leaders in Georgia.

**Our Leadership Training is designed for school nutrition leaders throughout the state. Members gather to go over the Plan of Action for the next school year as well as team building and networking.**

Company representatives (*up to 2 attendees*) from your company can attend this dynamic training and connect with the movers and shakers in Georgia school nutrition.

Our 2023-2024 theme is ***“MISSION Minded, VISION Focused”***. We know that we cannot achieve our mission ***“To advance the availability, quality and acceptance of school nutrition programs as an integral part of education”*** without our Industry Partners. GSNA’s goal is to ensure our Industry Partners really see a return on their investment and feel it with their attendance at GSNA events. We hope what you will see below is an increased level of visibility and personal engagement with attendees as a sponsor.

So, we invite YOU to join us as we plan for the 2023-2024 school year. Please review our offerings and let us know if you are interested in partnering with us. If you have any ideas on ways that you can be of service to us that are not listed here, please let us know and we will make sure that we try to include you in our planning.
