

## 'Tis the Season!

Hello, My School Nutrition Friends!

As we finish up 2021 and prepare to move into 2022, I wanted to take a moment to talk about optimism. During these trying times when we feel overwhelmed just dealing with the day-to-day struggles of taking care of our customers and each other it is important to remain optimistic. Optimism serves many purposes in our lives.

**Optimism is a skill that gives you resilience and adaptability.** Optimism can be learned and isn't a thought that everything is perfect all the time. Optimists believe that bad things are produced by temporary causes that can be overcome. A good way to live this is to think of the phrase, "this too shall pass" on the days that seem especially tough.

**Achieving anything Together requires optimism.** Anything that requires collaboration and cooperation amongst a group requires trust. Assuming you can trust another won't cheat or take advantage of you is a form of optimism. How do you look at others? Do you have a pessimistic view where you think everyone is trying to get away with something? Try shifting your view of others to see how it impacts how much more you can achieve as a result.

**Optimism shapes Tomorrow.** As with any goal or result we are trying to achieve you must first visualize what you want that future to look like and how we will get there. Being optimistic and believing it is possible makes this vision of tomorrow more likely to happen.

My hope for you is that you maintain your optimism as we continue through this school year with the knowledge that ***Tomorrow*** will be better and that ***Together*** we will make that happen.

I hope you have a wonderful holiday season and a very happy new year!

## In Memory of Bobby Sharp

GSNA lost one of our long-time volunteers last month. Bobby Sharp of Dalton had been a GSNA fixture for decades. He served as our Ways & Means chair for over 30 years. Bobby enjoyed selling and he was good at it. You knew when you saw Bobby set up with his table you were going to go SHOPPING!

He was the ultimate fundraiser for GSFSA (Georgia School Food Service Association) as we were known until our name change in 2005 and was instrumental in raising funds for the GSNA headquarters building.

Bobby didn't like missing GSNA conferences and was always sad when he couldn't make it. His health in the past few years kept him from manning his post and setting up his tables "just so" like he liked, but he was always there in spirit and wanted to know EVERYTHING that went on.

Bobby considered GSNA a part of his family and we will miss his stories and general good nature.

Bobby will be missed.

GSNA thanks our Past Presidents for their donation to the GSN Foundation in memory of Mr. Bobby Sharp.

## Mission, Money &amp; Manpower

*Manpower*

GSFSA Ways & Means Chairman 1985-Present  
Bobby donated the first theme t-shirts  
Manager, Southeast High - Dalton, 11 years  
District President - 2 terms  
Gold Scroll District winner  
Special Recognition Plaque '87 and '94  
Presently Director of Food Services, Dalton First Baptist Church

Bobby Sharp (from the hills of North Georgia's Whitfield County) Hazel Florence was the President that first named Bobby Ways & Means chairman. During his tenure, Bobby's fundraising efforts raised thousands of dollars for the Building Fund. His largest tally was taking in \$16,000 at one conference! He wore out one van and is on his second personal vehicle hauling GSFSA merchandise. We all remember Bobby dressed in a teddy bear costume, in a hula skirt, and in his gold metallic suit with Jerry Cochran celebrating "50 years of School Meals" (anything to raise money for GSFSA)! Throughout the years Bobby has shared his musical talents with us through his singing and piano playing. A brass plate on the foyer table at the headquarters office honors Bobby.
